Glossary

Information on the number of visitors, their nationality and age distribution are among the important economic indicators. Tourism industry has contributed significantly to the Zanzibar's economy and it is therefore necessary that such information is made available on a timely manner. This release reports on arrivals of foreign visitors. Detailed information on the age and sex distribution; mode of travel; nationality and regional distribution; and purpose of travel of visitors are also provided. The information was captured using the Arrival Declaration cards on visitors who entered Zanzibar through both the airport and sea ports.
